

# "HELLO FRIENDS"

Marcos Torante  
García.

Hi. My name is Marcos and I'm from Spain. I live in Murcia. It's a big beautiful city and there are lots of things to see and do. You can see the Segura River, the Cathedral, the Salizillo Museum, the Murcia Condovina Football Stadium, the University ....

I'm eleven years old and my birthday is on June 24<sup>th</sup>. I've got long curly red hair and big brown eyes.

I've got one brother called Fabio. I've got a pet, a bird called Choco. It's multicolour and small.

The name of my school is Nuestra Señora de Fatima. It's a big and beautiful school and there are lots after school activities from Monday to Thursday. I go to school on foot and I don't wear a school uniform. My favourite subject is P.E. I don't like maths. I love playing football and running.

My favourite food is chocolate and eggs but when I was six my favourite food was pizza and chips.

On Saturdays I go to play football with my friends and on Sunday I go to the shopping centre with my family.

My best place for holiday is the beach because I can swim in the beach and play volleyball on the beach. I can eat fish in the restaurants and walk on the beach.

I go on holiday in August and my favourite last holiday has been by boat, there were lots of things to do there. Bye
