

Dear Sofia!

My name is Dora. I'm eleven years old. I'm tall and thin. I have got a long light brown hair and green-brown eyes. I live in Split with my family. My dad is an engineer. My mum is a teacher, too. I have got an older sister. She is thirteen. I play volleyball. I like playing computer games and spending time with my friends. I go to primary school "Bol". My school is very nice. It's close to my house. My favourite subjects are English, PE and Maths. My favourite food is pizza, and my favourite drink is Coke. Split is a beautiful city. It is situated on the Adriatic coast. In Split there are lot of shops, cinemas, museums etc. I love my city very much.

I hope to see you soon!
